

## SINGLE TANKS

We have over 25 years of experience in manufacturing oil tanks, dealing with thousands of customers both as installers and the end consumer. Based on feedback from both sets of people our range has been developed over time to provide the best solution for the end user, whilst being designed for an easy install.

Our single oil tanks carry a market leading 5 year warranty, when the tank is inspected annually by a Centurion Tank approved operative. All of our tanks are compatible with a choice of ultrasonic gauge as shown on the reverse or a clock gauge. Each Single oil tank comes supplied with metal 2" fillpoint with cap & retaining lanyard, 5" cap for inspection & completely vented for safe filling. The tanks also have fully lockable collars.
